## **The LOADHOPPER Mini Van Range**

DFSK are re-introducing the LOADHOPPER mini van to the UK market place. Compact, flexible and economical they offer all the advantages of a true light commercial vehicle without the size and loading restrictions of a car derived van.

All vehicles come with a 3 Year Warranty, the first two years unlimited mileage with the third limited to 60,000 miles or 1 year whichever is the soonest together with a 3 Year Anti Corrosion Perforation Warranty as standard.

# Loadhopper Single Cab Pickup

The vehicle comes with central door locking , electric windows and front fog lights all fitted as standard.

The short overall length and small turning circle of 8.8m combined with it's outstanding load carrying abilities make this a truly flexible vehicle.

The Single Cab Pickup is available in white and silver, other colours are available as special orders.

*See our range of Loadhopper Single Cab Pickup accessories at the rear of this brochure.*

The Single Cab Pickup is a unique vehicle, offering a payload of over 900kg carried within drop down sides and tail gate giving the user easy loading and unloading of the flat load bed.

For its size the Loadhopper Single Cab Pickup has a huge pick up bed of 2,240mm length and 1,420mm width, larger than that offered by most of it's bigger pickup rivals.

## **Price £7,999**

Subject to a charge of £500 which includes first registration fee, Road Fund Licence, PDI, delivery charges, number plates, but excludes VAT at 20%

# Loadhopper Van

The van offers a payload of 548kg with a load capacity in excess of three cubic metres giving the lowest price to load area and payload of any small LCV. To achieve this the load area features a maximum and minimum width of 1,300 and 1,030 mm together with limited wheel arch intrusion.

Loading and unloading are made easier with a low level load

## Price £7,999

Subject to a charge of £500 which includes first registration fee, Road Fund Licence, PDI, delivery charges, number plates, but excludes VAT at 20%

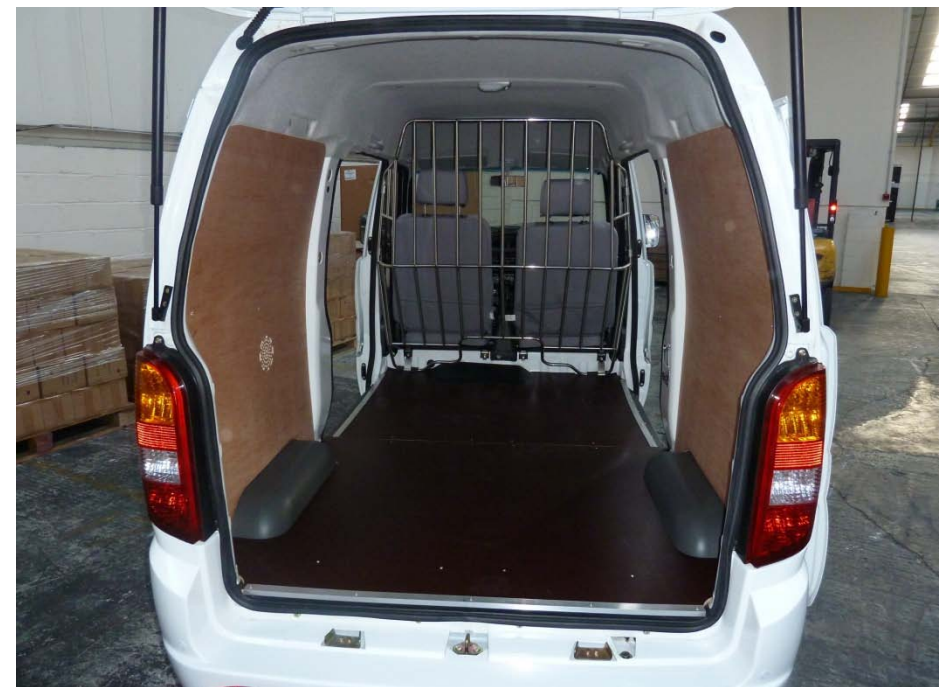

floor, high opening rear door and uniquely for this size of van sliding doors on both the off and nearside of the vehicle. A full height ladder bulkhead is provided as is a load area cargo light to assist in those dark winter collections and deliveries.

The vehicle comes with central door locking, electric windows and front fog lights all fitted as standard.

The Van is available in white and silver, other colours are available as special orders.

*See our range of Loadhopper Van accessories at the rear of this brochure.*

# Loadhopper Double Cab Pickup

The Double Cab Pickup brings the flexibility of seating for five together with a three way drop down load bed. The load bed offers a load capacity of over 2.3 square metres.

The cabin features central locking, front electric windows and a stereo CD/radio as standard.

## Price £9,999 OTR

OTR price includes first registration fee, Road Fund Licence, PDI, delivery charges, number plates and VAT at 20%

The Double Cab Pickup is available in white and silver, other colours are available as special orders.

*See our range of Loadhopper Double Cab Pickup accessories at the rear of this brochure.*

# Loadhopper Tipper

The Tipper is a truly unique vehicle that features a payload of 665kg together with a three way tipper operation. This gives the operator the flexibility of tipping the load bed not only rearwards but also to the left and right. This operation can be controlled both from within and outside of the cabin.

## Price £9,999

Subject to a charge of £500 which includes first registration fee, Road Fund Licence, PDI, delivery charges, number plates, but excludes VAT at 20%

As with the rest of the Loadhopper range the compact size and manoeuvrability of the Tipper combined with the tipping options make easy work of tipping loads into confined areas.

The Tipper is available in white, other colours are available as special orders.

*See our range of Loadhopper Tipper accessories at the rear of this brochure.*

## Loadhopper Care Plan

The Loadhopper Care Plan offers you a total peace of mind package covering both your first three services and full roadside assistance for the first three years. The Care Plan is available for just £500 (plus VAT).

### **LOADHOPPER Care Plan (LCP) Terms and Conditions**

- The LOADHOPPER Care Plan Plan (LCP) covers the first three scheduled services and two body inspections along with three years roadside assistance.
- LCP services and the initial oil change, where applicable, must be carried out in line with recommended service intervals – see vehicle service booklet for details
- 1st (LCP) service must be carried out within 12 months of first registration, 2nd (LCP) service must be carried out within 24 months of first registration, 3rd (LSP) service must be carried out within 36 months of first registration
- LCP covers the full factory scheduled services and includes parts as defined by the vehicle manufacturer such as filters, oil and consumables as well as all labour costs. The service schedule does not include wear and tear items such as brake pads and discs, clutches, tyres etc.
- For full details of the service schedules for a specific model please contact your local DFSK dealer.
- Each service and the initial oil change must be carried out by a UK-based DFSK authorised dealership. The service price will not be refunded if the service is carried out by an independent garage (non-DFSK authorised dealer). Your vehicle may be serviced at any DFSK dealership, not just the dealer from whom you purchased the LCP.
- If all three services have not been taken, in the event of a vehicle being written off, an appropriate proportion of the LCP purchase price will be refunded without administration charge.
- LCP will not be refunded in any other circumstances The following methods of payment are acceptable:
  - a) Included in your finance agreement
  - b) Cash or cheque via your DFSK dealer (some dealers may accept payment by credit card).

### **Roadside Assistance Cover**

The Loadhopper Care Plan offers 2<sup>nd</sup> and 3<sup>rd</sup> Year cover for Roadside Assistance.

The level of cover is;

- 24/7 Roadside Assistance
- Home Start
- Help in an Accident
